## The Max-Oscar-Arnold-Award

is considered the world's most important award in contemporary doll art and is the established competition in the international doll art scene. This "Oscar for Doll Makers" is awarded by the city of Neustadt bei Coburg – in 2024 for the 28th time.

The Bavarian Doll Town in the toymaking region Upper Franconia in Germany would like to use this award to highlight the artistry and creativity within contemporary doll art at the highest level.

The prize is named after Privy Councillor Max Oscar Arnold († 1938). This great patron of the town ran a successful doll company in Neustadt from 1894 until World War 1.

The public awarding of the art prize in the conference room of the town hall on Wednesday, 8 May 2024 is one of the highlights of the International Doll Festival Neustadt and Sonneberg.

The fantastically beautiful and exclusive competition originals are exhibited in the Mehrzweckhalle Heubischer Straße from 5 to 10 May 2024, daily from 10 am to 5 pm, and on 11 May from 10 am to 4 pm.

The International Doll Festival Neustadt and Sonneberg offers doll fans on the subject of doll art a lot of special exhibitions in the regional museums and manufactures.

We look forward to all participants of the Max-Oscar-Arnold-Award and all visitors of the International Doll Festival Neustadt and Sonneberg.

With kind regards

Your

Frank Rebhan  
Lord Mayor
